Insomnia

Verse 1

It's Monday night and I can not sleep,
I toss and turn I can't stand the heat,
Thinking of ways to make me crash,
I had a dream but it was a flash,
Knowing I had to be up at five,
To go to work
All in my stride,
Oh why, oh why do I have to work,
The boss is bossy
He's a jerk,
But forget that now I got to think,
Watch some films
To stop me blink,
At least I got loads of hours,
Time to thinking about superpowers,
And if I had the time of day,
I wish I wish the night would stay,
But it won't but alas,
I wish the night wldnt pass,

Chrous (X2)

Did I wake up from a dream,
Did I just hear a scream, (insomnia)
Playing tricks,
Help me doc I need a fix,
Nothing seems to do the job,
My eyes hurts and head does throb,
Can you help my head's a mess,
Tell me know and see what's best,

Verse 2

Will I wake up from a dream,
Will I wake up from a dream,
Help me doc I need a fix, (Insomnia)
Will I wake up from a dream,
Will I wake up from a dream,
Did I just hear a scream (Insomnia)
Will I wake up from a dream,
Will I wake up from a dream,
Help me doc I need a fix, (Insomnia)
Will I wake up from a dream,
Will I wake up from a dream,

Did I just hear a scream (Insomnia)

Chorus (X2)

My eyes hurt (hurt-hurt-hurt-hurt)
My head's throbbing
I can't no more,
My eyes hurt (hurt-hurt-hurt-hurt)
My head's throbbing
Body at war,
My eyes hurt (hurt-hurt-hurt-hurt)
My head's throbbing
Wish I could snore,
My eyes hurt (hurt-hurt-hurt-hurt)
My head's throbbing
That be a score,

Chorus (X2)
